## About The Blogger

I believe that everyone has an affair with food! So let food and drinks seduce you! I am not only a food blogger I am also a phlebotomist by day living my life in Florida

## About Seduction In The Kitchen

Since 2013, Seduction In The Kitchen has created fun and easy recipes that appeals to foodies. The inspiration behind the title Seduction In The Kitchen came from the thought that food not only comforts you, but you also cheat with it. You also celebrate with food, food seduced us in every aspect of life.
